Number of Particles N				
System 26 Energy E Volume V	System 27 Energy E Volume V	System 28 Energy E Volume V	System 29 Energy E Volume V	System 30 Energy E Volume V
Number of Particles N				

All the walls here are
rigid, impermeable
 and **insulated**.

Number of Particles N				

Outer walls here are rigid, impermeable and insulated.

Inner walls are rigid, impermeable but conducting.

Chemical Potential μ				

Outer walls here are rigid, impermeable and insulated.

Inner walls are rigid, permeable and conducting.
